# Quizlet: learning tools and flashcards

Sara Natalini – IFOM trainer

# What is Quizlet

- Free online tool to organise study sets, for mobiles, laptop and tablet

## 2 MAIN FUNCTIONS:

### 1) STUDY

Study a topic by searching already made sets or creating your own

### 2) PLAY

Organise live games to test students' knowledges and abilities to teamwork

# What Quizlet offers

- make flashcards,
- practice spelling,
- play learning games,
- test knowledge,
- collaborate with other students
- create folders of sets and invite students to join
- create virtual classrooms and invite students to join

# Starting with Quizlet

When you start with Quizlet as a teacher, first of all you have to **create a set of words** that you want your students to study.

You can:

- Choose an existing set and change it
- Build your own set from zero

# How to build/change a set

When you create a set, you can choose to associate:

- A Word and its translation/matching term

Example: Star – Stella      Sun - Star /Moon - Satellite

- A Word and its definition

Example: Star – a fixed luminous point in the night sky  
which is a large, remote incandescent body like the sun

- A Word and a picture

Example: Star –
